Town Council

April 29/23

As a former long term resident of Morrin I recently took a tour of the village and was very disappointed at the current state of the town, especially the north end. The conditions of some of the yards and back alleys is an eyesore that the Council should be addressing. I would hope with the Homecoming in August that Council will make this a priority and ensure the community is cleaned up and ready to welcome people back.

As someone who cares
